WE MOVED TO A NEW OFFICE!!!

The United Way of Greater Hazleton has relocated to

Chapel Street in Hazleton!

We are sharing office space with our friends at

Catholic Social Services

200 West Chapel Street Second Floor

Hazleton, PA 18201

Dear Friends ~

To say this year has been a challenge should come as no surprise to you. As Robert Frost so perfectly said, "The best way out is always through." So, we continue moving – looking for new ways to raise much-needed funds, while creating programs to address the ever-growing needs in our community; continuing to fight for those who can't.

Adding to the challenge is looking forward to the future and setting a sustainable path of our United Way to ensure its viability for our grandchildren's grandchildren. We are diligently examining every possibility to best continue the legacy built by the strong visionary pioneers who set the foundation in place. We know we are still doing the good work our history has proven; people still seek us for answers and help; our programs are hugely successful (as proven just by the example that our Back-to-School Supplies giveaway handed out over 700 filled backpacks in less than one hour). The needs are here and continue to grow and change.

We cannot make this the best United Way it can be without your help and the help of everyone in the Greater Hazleton area. The original concept of giving is still crucial to guaranteeing the safety net needed; your dollars alone can't help as much as your dollars combined with your neighbor's dollars and those of others in our community. We are so much stronger together.

You are needed now more than ever. The spirit of cooperation and a clear vision of helping those whose names and faces you may never know remains the hope of a better community.

"In necessary things, unity; in doubtful things, liberty; in all things, charity."  
(In necessariis, unitas; in dubiis, libertas; in omnibus, caritas.)

— Rupertus Meldenius

With a hopeful spirit,

# *Annual Campaign Funding*

The generous individuals, corporations and members of the Greater Hazleton Area community gave the resources that were allocated to over 18 programs.

In our challenging economy, and as a smaller non-profit, we understand the critical importance of making the donor investment go far. We work hard at partnering and utilizing both time and talent to help keep costs at a minimum.

The United Way of Greater Hazleton is working to strengthen the community focusing on the following program areas: Education, Financial Stability and Health.

These are the building blocks for a strong community and a good life. The goal remains to create long-lasting changes by addressing the causes of problems and preventing them from happening.

This year the United Way of Greater Hazleton Inc., secured a \$200,000.00 ARPA grant from Luzerne County to assist our agencies. Each agency received a one time grant for 2023-2024.

# *Announcing Mary Jane Ricco Compassionate Care and Kindness Agency of the Year Award*

The Board of Directors of the United Way of Greater Hazleton, Inc. is pleased to introduce the Mary Jane Ricco Compassionate Care and Kindness Award in honor and memory of Mary Jane Ricco, the heart and soul of our United Way.

As everyone who knew Mary Jane is aware, she loved the member agencies and always referred to them as, “my agencies.” Just as a mother always looks out for her children, Mary Jane kept the agencies close to her heart.

Mary Jane was always the first to jump on board as the ultimate team player. She would always seek a solution to whatever problem might arise; the first to say yes to any crazy ideas we proposed; the first to lend a hand—the eternal prayer warrior and friend.

So many of “her” agencies fall into the same category. In her honor we seek to recognize one agency each and every year that goes above and beyond in their own right.

*The Heart of the United Way of Greater Hazleton, Inc.*
